

POWER THE FUTURE OF FLEXIBLE WORK

WIREMOLD® SIT/STAND DESK POWER

The demand for height-adjustable desks is ever-increasing, as more employees crave a flexible solution where they can take a break from sitting. Add easy power and charging to these desks and tables with a flexible power solution. Comprised of two units, one above and one below the desk, power is no longer a struggle. Connected via a 2' interconnecting cord, this system simplifies cable management and makes it easier to get work done. Available in black or white.

FEATURES & BENEFITS

Two units. One system.

- Includes one plug-in outlet center, one Desktop Power Center Slim and one 6' coiled cord to power everything at the desk.
